SCIENCE IXL/SOLPASS LOG SHEET

Student Name:_____ HR Teacher:_____

Record IXL and SOLPASS information on your log sheet. Teachers will monitor students' daily progress and time spent online.

You may print the following log sheet or keep a log of your own with the same required information on notebook or other paper.

Record the date, skills you complete (Ex: A1), your SMART SCORE, and parent initials.

IXL LOG: Your SMART SCORE GOAL is 80 or higher. Work on each skill you choose until you reach that goal, then move to the next skill. Record each score, even if it is below 80 to record your progress. You may need to print more than one log to record your progress.

Date	Skill	SMART Score	Parent Initials

SOLPASS LOG: **Please spend 10-15 minutes on any SCIENCE Skill on solpass.org -- This is on Learning Links under SOL Practice; the password is glencove**

Record the Date, SOLPASS.org skills practiced, minutes, and parent initials.
