### \*\*\*PTO NEWS\*\*\*

#### 🦸 Squires give back!

You may be familiar with the *Knight's Closet* at Cave Spring High School. We think it is such an awesome program that we're bringing it to the middle school!

📦 The PTO is sponsoring the *Squire's Closet* to provide access to semi-formal and dance attire for male and female students. We are currently seeking donations including dresses, shoes, costume jewelry, dress pants, dress shirts, belts, ties, and blazers in preparation for the upcoming Spring Dance (April)! All donations should be clean and in good condition.

👉 Any CSMS student will be able to shop for free. Donations can be placed in the donation box in the CSMS Front Office.

If you have any questions, please contact Shelley Clemons at [Shelley.Clemons@yahoo.com](mailto:Shelley.Clemons@yahoo.com)

Thank you so much for your support!

## \*\*\*JUST IN TIME TUTORING\*\*\*

Introducing, *Just in Time Tutoring*...

RCPS is proud to announce the launch of *Just in Time Tutoring*, powered by Tutor.com and the Princeton Review. *Just in Time Tutoring* provides RCPS middle and high school students immediate access to a live United States based tutor, regardless of time or day. Tutors can provide assistance for the majority of core classes offered in Roanoke County Public Schools, including some world languages (French, Spanish and German). See [www.rcps.us/justintime](http://www.rcps.us/justintime) for more information on available subjects.

"*Just in Time Tutoring* is a game changer for students," said Ben Williams, Director of Assessment and Research for RCPS. "Before, if a student was working on a homework assignment at 10 PM and was stuck, for instance, on a geometry problem, that student might not have any way to get help. Now, with *Just in Time Tutoring*, that student can go online and within seconds, work one-on-one with a live tutor to get help and get back on track," Williams said.

All tutors must pass a rigorous application process including an extensive background check. No personal information is shared, and all sessions are recorded and available to the student for later playback, as needed.

In addition to on-demand tutoring resources, students can submit any writing assignment for expert proofreading with a 12-hour turnaround time.

"Proofreaders will review and make suggestions on writing elements including grammar, sentence structure, theme development and more. This is a huge benefit, and we encourage every student and teacher to take advantage of this service," Williams said.

For those students preparing to take ACT and SAT tests, *Just in Time Tutoring* provides access to industry-leading Princeton Review test preparation materials – all at no cost. These services can be a significant cost to parents, if purchased privately.

"*Just in Time Tutoring* is leveling the playing field for our students," said Dr. Ken Nicely, Superintendent of Roanoke County Public Schools. "Every middle and high school student has access to these resources. All it takes is an Internet connection, and a student can be connected to a tutor to get help anytime they need it," Dr. Nicely said.
