#### Course Requests for Academic Year 2023-2024:

##### Parents of Current 6<sup>th</sup> and 7<sup>th</sup> Grade Students:

On Thursday, January 12, 2023, Course Request Verification Forms for the 2023-2024 academic year were also distributed to 6<sup>th</sup> and 7<sup>th</sup> grade students. This is a list of classes your child is registered to take next school year.

There is NO need to return the Course Request Verification Form, unless you would like to request that a class be changed. In that case, please write the following information on the form and ask your child to take the altered form to the CSMS Counseling Office, no later than **Tuesday, January 31, 2023.**

- Please indicate the requested change (which class your child would like to remove and which class should be added).
- Please sign, date, and write your phone number on the form. A counselor will call you, if there are any questions.

You may also review your child's course registration for the 2023-2024 academic year through ParentVUE:

- Access your ParentVUE account
- Select "Course Request" from the vertical tool bar on the right

Once selected, your screen will produce the list of courses your child has selected for next year, including elective courses.

If you have any questions, please contact your child's school counselor:
