FALL GROWTH ASSESSMENTS

Roanoke County Public Schools recently administered *Fall Reading and Math SOL Growth Assessments* to students in grades six through eight. *SOL Growth Assessments* are not administered in Algebra I and Geometry.

These *SOL Growth Assessments* cover an entire year's curriculum and, therefore, include content that has not yet been taught. These Assessments are *interim progress checks* and will help teachers determine student progress. These assessments are shorter than the SOL tests that will be administered in the spring. We will administer another *interim progress check SOL Growth Assessment* in January (Reading) and February (Math).

Growth Assessment Parent Portal Instructions were sent home with students on Wednesday, October 26th, along with First 9-Weeks Report Cards. Accessing the parent portal will allow parents/guardians to view their students' assessment results online.

Should you have any questions about these assessments, please contact Neal Hall, CSMS Testing Coordinator @ 540.562.3900 Ext. 30034 or via email @ nhall@rcps.us

Thank you!
