“One Burton = Infinite Possibilities!”

Changes to Normal Operations due to Covid-19

This portion of the handbook lists the changes in place due to some of the limitations during the pandemic and supersedes anything written after. In short, if there is a contradiction, follow what is listed in bulleted form below. When we resume a normalized schedule, some of these requirements may revert back to what is listed in the handbook.

- Attendance – awards granted at the end of the year will not be based on an attendance record.
- Driver / Rider Pass – fees are waived this year.
- Breaks – will not be held while we are under the hybrid schedule. Students will need to bring their own drinks and snacks.
- Bell Schedule – the dismissal bell will be turned off while we are under the hybrid schedule. Classes will be dismissed in a staggered form by an administrator or designated staff member so we can follow social distancing guidelines.
- Cleaning – students will need to be part of a culture of cleanliness and sanitization. Depending on the program, students may be required to sanitize their work area, tools, equipment, etc.
- Mask Requirements – students will be expected to wear masks when leaving the classroom environment. If students are working in spaces closer than 6ft apart, they will be required to put on masks unless a partition is available. Some classes may require masks for the duration of the class due to spacing limitations or other program specific needs. “Mask up” will be the expectation in these circumstances.
- Visitors – will not be permitted unless approved in advance by administration.
- Seeing the School Counselor – if you need to see Gibby, please use the QR codes displayed all over campus or the link available on the BCAT counseling website. She will set an appointment for you to speak with her. This may also be done in an online environment.
- Seeing the School Nurse – if you need to see the school nurse, a teacher will have to call the office. If the nurse is available to see you, you will use the 2nd school office entrance (down the hall toward cosmetology).
- CTSOs – opportunities for participating in student competitions may be limited or may not be able to happen at all this year.
- Bus Procedures – students taking the shuttle bus will be expected to wear masks and follow all other bus regulations regarding seating and social distancing.
- Public Displays of Affection – No hugging, holding hands, walking arm in arm, etc. will be allowed.
- Virtual Learning Expectations – in both an online and in-person format, students are expected to conduct themselves according to the RCPS student code of conduct.
- Restaurant Food Delivery – will not be accepted. Delivery drivers will be sent back without leaving the food at the school, regardless of payment.

WELCOME

On behalf of the entire faculty and staff of the Burton Center for Arts & Technology (BCAT), I would like to welcome all students to the 2020-2021 school year. We are glad to have you at BCAT!

BCAT serves as an extension of the five Roanoke County high schools. We aim to provide opportunities to prepare you for a future that has infinite possibilities.

In order to provide our students with the best educational experience possible while at BCAT and to equip them to graduate high school with the knowledge and skills necessary to thrive in a changing world, we continue to adapt to ever-evolving industry and academic standards. We offer certifications or qualifications for students in all of our Trade and Industrial programs. Students passing certification tests demonstrate to future employers and higher education facilities the knowledge and skills they have learned while at BCAT. Students enrolled in Performing Arts, Visual Arts, Mass Communications, and Engineering are sharpening their skills in our Specialty Center programs located here. Students involved with Engineering, Motorsports, Mass Communications, and Mechatronics are part of the Governor's STEM Academy at BCAT.

With the variety of program offerings and the diverse talents of the students and staff at BCAT, our slogan at Burton Center for Arts and Technology is "One Burton, Infinite Possibilities". Students here are taking a variety of different programs, and we work dutifully to ensure collaboration is occurring between our programs where possible. The possibilities are endless for our students upon graduation and we want our students to be equipped to succeed. Our future workforce is prepared to take talented people with a strong work ethic and good people skills. We want those jobs to be filled with Burton students!

Although this year will be structured differently from any other school year you have experienced before, your educational experiences here will be what you make them. It is essential that you show up, give effort, build positive relationships, and meet your academic and behavioral expectations. Our programs have been recognized as outstanding throughout the state and nation. We have prepared this handbook so that all students and parents may become familiar with BCAT policies and procedures. By working together, we can provide an atmosphere in which everyone can enjoy their experiences. The faculty and administration wish for each of you to have a great year!

Sincerely,

Mr. Christian J. Kish

General Information

The administration reserves the right to amend this handbook as necessary.

Burton Center for Arts & Technology (BCAT) provides educational opportunities in a multitude of areas in Career and Technical Education and the Arts to any person who desires to develop knowledge, skills and attitudes needed to succeed in the workplace and/or to continue their education. By using a variety of instructional methods, offering the use of industry-standard technical equipment, maintaining adequate facilities for the learner and by having instructional experts knowledgeable in each field, BCAT achieves a high degree of success in preparing students for business, industry, and college.

Courses at Burton are offered at no cost to the parent in conjunction with Cave Spring, Glenvar, Northside, Hidden Valley and William Byrd High Schools – also known as “base schools”. Students attending BCAT have opportunities to earn high school credits that count toward graduation requirements as defined by the Commonwealth of Virginia.

BCAT classes are held in “SuperBlocks”, which are the equivalent of two blocks at a base school. A1 SuperBlock classes are held on “A” day mornings, B1 SuperBlock classes are held “B” day mornings and B2 SuperBlock classes are held on “B” day afternoons. BCAT does not have afternoon classes on “A” days, as that time is used for staff planning, meetings, and professional development.

General Requirements

1. BCAT classes are open to students enrolled in Roanoke County Public Schools (RCPS) who are in the 9th, 10th, 11th, and 12th grades. For most programs, students may apply in their 8th grade year in hopes of attending BCAT during their 9th grade year.
2. Students will be selected for enrollment at BCAT by their program interest, ability, school performance, and record of attendance. Students not selected will be placed on a wait list and given priority based on the areas mentioned above.
3. Students must be willing to abide by attendance and safety policies on the Burton campus.
4. Students will be permitted to use the facilities, tools, equipment, materials, and instructional time only for assignments provided by the instructor.
5. Students will be required to replace any equipment or materials willfully destroyed and/or correct any damage done to facilities/equipment if not operating equipment correctly.

Attendance

Regular attendance is an important part of being successful in any class. Because Burton is a specialty center with extended time spent in the learning environment, attendance in school is given high priority.

Good attendance is required to receive a competency/completer certificate. Students with more than ten unexcused (10) absences in the final year of their technical program may not be awarded a competency/completer certificate.

In case of absence from school, all students must verify their absence as excused, or unexcused, with a **written note** from the parent/guardian. **Bring written notes to the Burton office.** E-mail excuses are also acceptable (dspradling@rcps.us). Excuses by the parent or guardian must contain the following:

[Click here for Table of Contents](#)

1. Student's full first and last name
2. Date or dates of absence/tardy
3. A specific reason for the absence/tardy
4. Parent/Guardian's signature

A parent or guardian should call the school (857-5000) *the day of the absence* to inform the school of their child's absence and also provide a note the next day the student attends school. Afternoon B day SuperBlock students must present an admit slip from their base school if they arrive late.

EXCUSED ABSENCES AND TARDIES

1. Parents/guardians of students who are absent or tardy must inform the school in writing of the reason for the absence or tardy no later than upon the student's return to school. Depending on the information in the note, the school staff will record the student's absence or tardy for each day as "excused" or "unexcused".
2. Absences and tardies are excused for the following reasons with written explanation from the parent:
 - Illness of the student
 - Approval from administration prior to the absence
 - Death in family/funeral
 - School-sponsored activities
 - Observance of a nationally recognized religious holiday if such holiday is verified
3. If absences and tardies that are excused solely by parent explanation become excessive, the school will require additional documentation in order to ensure compliance with the compulsory school attendance law.
4. Absences and tardies are excused for the following reasons with appropriate written documentation:
 - Hospitalization or extended illness (with documentation from physician)
 - Doctor or dental appointment (with documentation from physician's or dentist's office)
 - Mandatory court appearance (with court documentation)
5. A student whose absence is excused due to the observance of a nationally recognized religious holiday is not deprived of any award or of eligibility or opportunity to compete for any award, or of the right to take an alternate test or examination that the student missed by reason of this absence.
6. Nothing in this policy shall be construed to limit in any way the authority of any attendance officer of the division superintendent to seek immediate compliance with the compulsory school attendance law.

UNEXCUSED ABSENCES AND TARDIES

Absences and tardies that do not meet the criteria for being excused are considered unexcused absences or tardies. Absences and tardies for reasons such as working, shopping, babysitting, missing the bus, oversleeping, or vehicle trouble are examples of unexcused absences. If an absence or tardy does not fall under one of the categories for an excused absence, it must be considered unexcused.

[Click here for Table of Contents](#)

Students in grades 9-12 may be denied full credit for assignments missed due to an unexcused absence or tardy.

LEAVING SCHOOL EARLY

All early dismissal notes will be written by the attendance secretary. The early dismissal note should be given to all of the student's instructors, who must sign it before the student checks out in the main office. The note requesting early dismissal must include the following:

1. Date
2. Name of student
3. Date and time of dismissal
4. Time expected to return to school
5. Reason for leaving
6. Means of transportation or with whom
7. Signature of parent or guardian

When leaving the grounds early, the student will sign out in the main office and leave the early dismissal note.

SCHOOL RELATED ABSENCES

Those students who are directly participating in an inter-scholastic activity will be permitted to be away from class for those functions. No written excuse will be needed. Arrangement by the school sponsoring the activity will verify the event and participants. Missed time and work will be made up in the same manner as an excused absence. ***A school-related absence will NOT count against 2nd semester final exam exemption nor Burton CTE Certificate status.***

SKIPPING CLASS

First Offense: Notify parent, assign makeup time and/or detention

Second Offense: Parent conference, assign makeup time and/or detention

Third Offense and beyond: Assign further consequence as frequency increases, notify parent

STUDENT MAKE-UP TIME

Students may be asked to make up time at Burton or serve detention at the base school. Students are responsible for furnishing their own transportation to and from make-up time and detention.

TARDINESS

All students must assume responsibility for arriving at school and reporting to class on time. When a student is tardy, he/she disrupts class and takes away time from other students involved in the learning process. When it is necessary for a student to report to school late, he/she must report to the office to sign in. The student must present a valid excuse at that time. Teachers are responsible for tracking class tardies and writing referrals if tardies become excessive. Consequences for tardiness during a ***semester grading period*** are as follows:

- After 3rd Tardy – The student may receive a 60-minute detention to be served after school.
- After 6th Tardy – One day of "Saturday School" or "in-school detention" may be assigned.

[Click here for Table of Contents](#)

- After 9th Tardy – Up to two days of Saturday School may be assigned.

This time may be reduced if the student's parent/guardian attends a conference with a Burton administrator.

NOTE: If a student is tardy, unexcused, to Burton, by more than **30** minutes, *it will be considered skipping class. (Please see "Skipping Class" section for list of consequences.)* Students who do not report to class or who leave the school grounds without properly checking in or out will be considered skipping from those classes missed.

TRUANCY

As a general guideline, truancy issues will be turned over to school social workers and/or court for action **after 10 or more unexcused absences.**

SCHOOL CLOSURES

If RCPS schools are closed, BCAT is also closed.

DELAY SCHEDULES

If RCPS schools operate on a delayed schedule due to inclement weather, BCAT will also be delayed by the amount of time designated by RCPS. For example, if RCPS is on a two-hour delay, simply add two hours to the normal time a student would take the bus to BCAT or get dropped off at BCAT.

PLANNED EARLY DISMISSALS

On certain days, RCPS has early dismissals for staff development. Please see the schedule on page 4 of this document for bus departures, start times, and dismissal times.

UNPLANNED EARLY DISMISSALS

If weather is causing schools to close early, considerable efforts are made to get BCAT students off campus and back to base schools. Student drivers will be permitted to leave when announced by administration. Parents wishing to pick up their child must do so before buses leave.

Grading Policies

The instructor will evaluate class work, tests, professional development related materials, and work habits in order to determine a student's grade average for the nine weeks. Absences, tardiness, or lack of participation in class may have a strong effect on grade averages. Instructors will inform the students of work which they will be expected to accomplish in a given period and the grades which can be earned for the work completed. **It is the responsibility of the student to get make-up assignments for work missed for any and all absences.** Appropriate conferences will be arranged with the counselor, the parents, and administration whenever necessary.

ACADEMIC REQUIREMENTS

Graduation requirements can be found in the RCPS registration guide. Students are urged to take the most rigorous academic program in which they can be successful.

[Click here for Table of Contents](#)

FINAL ASSESSMENTS

Final assessments will be given in all classes on the dates specified on the school calendar published by the Roanoke County School Board. Dual-enrollment classes are not eligible for exam exemptions.

2nd SEMESTER FINAL ASSESSMENT EXEMPTION POLICY

Students must meet the following guidelines to be exempt:

- Student must have an A or B average in the class for the 3rd and 4th nine weeks.
- Student may not miss more than **five** days of school for the semester (not including school sponsored events).
- Students enrolled in an EOC/SOL or industry certification class must have passed the SOL or Industry certification test.
- There are additional guidelines in the RCPS exemption policy 6.16.

RCPS GRADING SYSTEM

The grading system is both numerical and alphabetical with the alphabetical system being used on the report cards. Key to the grading system:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = 59 and below

In the case of repeated submission of unsatisfactory work, parents will be notified by the instructor either by phone or by mail. Interim reports will also be used to keep the parents abreast of their student's progress. Teachers will make grades available on a regular basis via Synergy or other electronic means. If questions arise, parents are encouraged to contact their child's teacher for more information.

SUCCESSIVE-YEAR PREREQUISITE

Students who receive a grade of "D" in their technical course may not be eligible to return to the same program the next year but may return to Burton in another program, space permitting. Students who earn a grade of "F" in their technical course are not eligible to return to Burton the next school year.

COMPETENCY RECORDS FOR TECHNOLOGY STUDENTS

Technical Competency Records communicate to the home and the employer the scope of the technical curriculum and the progress the student has made in the course. The Technical Competency Records will be evaluated at the end of the year. The record will be marked with the understanding that it is the vehicle used to tell the employer what the student can do. Minimum level competencies to pass the course are identified on the sheets. Also identified is the proficiency level needed to receive a Burton CTE certificate. Requirements to receive a Burton CTE certificate will be issued to the students by the technical instructors. Students absent from the technical class more than ten (10) days in their final year of the program will not be awarded a Burton CTE certificate.

MAKE-UP WORK

Students in grades K-12 are expected to make up all missed work from an excused absence within 10 school days upon the student's return to school. If the student does not complete the make-up work within that time frame, he/she may earn a zero for work not completed.

Assignments made prior to an absence are due the day of return to school. Exceptions may be granted by individual teachers.

EXCUSED AND SCHOOL-RELATED ABSENCE

Students are required to request make-up work on the first day of return to class. Students will be given 10 school days to make up the work. Exceptions for a longer time period for make-up work may be granted by individual teachers.

ACADEMICS AND UNEXCUSED ABSENCES

Students are required to begin to make up all work missed on the first day of return to class. Students will be given 10 school days to make up the work. The maximum grade given for such make-up work shall be a "69". Time extensions may not be granted.

INCOMPLETE WORK
